1. Thinking about the historical purpose of the book of Hosea it is a dramatic illustration of what?

2. How is Israel's love like the dew of the morning? Would our love have the same thing said about it?

3. How has the Lord "slain" Israel by the words of His mouth? What is the Lord seeking to accomplish by this action? What Scriptural support can you show to support your answer?

4. Why is God's judgment compared to the "light?" What truth or principle is being illustrated here. Support your answer.

5. Do the two things God desires in verse 6 compliment each other? Build on each other? Is there any relationship between these two things?

6. What is the function of the watchman in 11:8, 9? Can this principle be brought forward today?

7. What are your takeaways from today's lesson?
